

Physical Rehabilitation and Wellness Center

8/5/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. As such, our cumulative number of cases has not changed since our last update. With the county positivity rate increasing we had started testing employees weekly.

We are allowing outdoor visitation and restricted indoor visitation. We will be following Center for Medicare Services (CMS) Guidelines for indoor visitations. The visiting hours are as follows:

Monday – Friday 10am – 12pm and 2pm – 4:30pm
Saturday and Sunday – 10am – 12pm and 2pm – 4pm

Please call **864-381-6406** and schedule a time to visit during these times.

General rules for Visitation:

- All visitors will complete a visitation screen prior to visiting
- Mask must be worn during entire visit (NO CLOTH MASKS allowed)
- Maintain a distance of 6ft during visits
- Proper hand hygiene will be performed before visitation begins
- 2 Visitors will be allowed to visit their loved one at one time
- Visits will be 30 minutes

If you need special visiting arrangements outside of the visitation hours please contact Jennifer Steele or Andrew Woollens at 864-542-8515.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 864- 542 - 8515.

Sincerely,

Jennifer Steele, RN, LNHA
